Dirty Rush

Taylor Bell

Dirty Rush Taylor Bell

In this shockingly true-to-life novel written by an all-star team of Internet phenoms from the *Total Frat Move* generation, you'll get the first true glimpse of "real" sorority life in all its f**ked up glory.

Dirty Rush by Taylor Bell is what happens when you take the creative minds behind Babe Walker (author of the *New York Times* bestselling *White Girl Problems* series) and add Rebecca Martinson to the mix. Rebecca Martinson—yes, *that bitch*—the former Delta Gamma sister responsible for the scathing, expletive-filled email that verbally assaulted her entire chapter for being "so f**king boring" at social functions, and threatened to "c*nt punt" every last one of them if their behavior didn't shape up. *Dirty Rush* is a no-holds-barred look at what really happens when you "go Greek."

Taylor Bell comes from a long line of Beta Zeta sorority sisters, who all expect her to pledge upon starting at the university. But Taylor has other plans: she's determined to give her family the proverbial middle finger and destroy the rich tradition they hold so dear by eschewing sorority life altogether. However, Taylor's resolve soon melts when she falls in with a group of hilarious, ultra-saucy girls, who introduce her to all things Greek and soften her to the idea of joining. Resigned to the fate the Greek gods have dealt her, Taylor pledges Beta Zeta and embarks on a collegiate career filled with the kind of carousing sure to make any sorority sister proud.

Soon, Taylor's experience as a BZ starts to feel like a jacked-up, drug-infused, and X-rated fairy tale—especially when reality comes crashing down and a rather lewd sex tape is leaked. The girl in the video looks a lot like Taylor. Has Taylor gone off the deep end? Or is someone trying to frame her? Unless she can prove her innocence and re-ingratiate herself with the sisters who've accused her of leaking the video in a Kim Kardashian-style bid for attention, Taylor is at risk of losing everything she's fought (partied) so hard for.
