## **The Lonely Other: A Woman Watching America** Diana Hume George

The Lonely Other is a book of travel essays. Here is America the beautiful, the ugly, the crazy, the hopeless and awesome urban and wilderness. Yellowstone and Wounded Knee and Alamogordo, a porn parlor in Times Square and the Trappist monastery in Kentucky where Thomas Merton lived and worked, and much, much more. These are the adventures of a woman in her prime walking the lonesome valley of our land by herself and with others.
